TO THE JUROR:

Please complete the following questionnaire to assist the Court and counsel in selecting the jury to serve in this case. If there is not enough space provided for you to complete your answer, please continue it on the blank page at the back of the questionnaire.

Please do not discuss the questionnaire or your answers with anyone. It is very important that the answers be yours and yours alone. Remember, there are no "right" or "wrong" answers. What is needed is your very best, honest effort to answer the questions contained in this booklet. You are expected to sign your questionnaire, and your answers will have the effect of a statement given to the court under oath.

The purpose of this questionnaire is not to ask unnecessarily about personal matters but to encourage your full expression and candor so that both the plaintiff and the defendant will have a meaningful opportunity to select a fair and impartial jury to try the issues of the case. Your full cooperation is of vital importance.

If you feel that any question requires an answer which is too sensitive (personal or private) to be included in a public record or discussed in open court, simply write "private" in the left margin next to your answer, and the questioning on that topic will be held in private, out of the presence of the other prospective jurors. One of the benefits of a written questionnaire is that you need not answer the questions in front of the entire jury panel, as would otherwise be the case; however, follow-up questions to specific answers will be asked in open court.

Please print your answers and use ink to insure legibility.

Thank you in advance for your careful and honest response to the questionnaire.

### **SUMMARY OF THE CASE**

Plaintiffs allege that they were injured by terrorist attacks in Israel and the Palestinian Territories committed by the terrorist organization Hamas. Plaintiffs claim that the Defendant, Arab Bank, is liable to them for their injuries because it knowingly provided material support to Hamas. Defendant asserts that it did not provide any material support to Hamas and is not responsible for the acts committed by Hamas.

**HARDSHIP QUESTIONS**

1. The Court and the parties estimate that after a jury is selected, this case may last as long as two months. Jury service is one of the highest duties and privileges of a citizen of the United States. Mere inconvenience or the usual financial hardships of jury service will be insufficient to excuse a prospective juror. If you are selected for jury service, you will be paid a daily fee, beginning at \$40, which may be increased depending upon the length of the trial. If you are a permanent employee, your employer is prohibited from discharging you due to your service. No one can excuse you from jury service except Judge Cogan, and you will be notified if he does. You will be notified if you need to appear for jury service. Do you wish to apply to the Court to be excused on the ground that jury service would be a serious hardship?
